

# WISDOM

Scripture tells us that the fear (awe) of the Lord is the beginning of wisdom. Why? Because when we begin to grasp the enormity of God's power and holiness, His teachings and principles for living become vastly more valuable to us; no longer just rules to be followed but a way of life designed to help us walk fully in all that God has for us. Taking the knowledge presented in the Bible and applying it in practical ways that reflect God's Spirit is the heart and soul of discipleship.
